

Formula 1 Shake is a delicious healthy meal that provides an ideal balance of protein and nutrition to help satisfy your hunger and give you lasting energy. Each shake is packed with 19 vitamins and minerals, herbs, antioxidants and fiber. Formula 1 powder has only 90 calories, and when mixed with 8 ounces of non fat milk Formula 1 shake has only 180 calories. Enjoy as a healthy breakfast, lunch or dinner for your good health and effective weight management.

25 grams of soy protein a day, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. One serving of Formula 1 provides 9 grams of soy protein.

DIRECTIONS: Blend or stir 2 scoops (26.1 grams) of Formula 1 with 8 fl oz of nonfat milk or soymilk. For a complete meal, add 1 oz of fresh fruit and enjoy!

INSTRUCCIONES: Mezcle o revuelva 2 medidas (26.1 gramos) de Formula 1 con 8 oz. liquidas de leche descremada o leche de soya. Para una comida completa, agregue una onza de fruta ¡y disfrute!

For Best Results: Combine with Formula 2 Multivitamin Complex and Personalized Protein Powder.

For Weight Loss: Replace two meals daily with a Formula 1 Shake and eat one nutritious meal. To further support weight loss and control hunger, women should add up to 2 tablespoons (10 grams of protein) of Personalized Protein Powder to each shake, and men should add up to 3 tablespoons (15 grams of protein). Optimizing your daily protein intake can assist with feeling full and help maintain and build your lean muscle mass. Published research on meal-replacement shakes indicates that taking two shakes daily, as meal replacements, are effective for weight loss.

For Healthy Nutrition and Weight Management: Enjoy a Formula 1 Shake every day as a healthy meal. Published research on meal-replacement shakes indicates that taking one shake daily, as a meal replacement, helps maintain long-term weight loss. We recommend adding Personalized Protein Powder to optimize your protein intake.

We offer a **30-day money-back guarantee** to assure your complete satisfaction. This exclusively formulated product is only available through Herbalife Independent Distributors.

NOTICE: Before using this product, or beginning any weight-control program, it is advisable to consult a physician. This is especially important for individuals with chronic kidney problems or insulin-dependent diabetes. A healthy weight-loss program should include modest calorie intake, balanced diet, and regular physical activity.

AVISO: Es recomendable consultar a su médico antes de usar este producto o cualquier otro programa de control de peso. Lo anterior es importante especialmente para individuos con problemas renales crónicos o diabetes insulina dependiente. Un programa saludable de perder peso debe incluir una ingesta de calorías modesta, una dieta balanceada y actividad física habitual.
