Dietary Supplement

NET WT 10.6 oz (300 g)

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Niteworks®** Herbalife teamed with Nobel Laureate in Medicine, Dr. Lou Ignarro, to develop this refreshing lemon powder mix that helps you create more life supporting nitric oxide during the night, when nitric oxide levels are naturally lowest.\* Research indicates that L-Arginine and L-Citrulline help produce nitric oxide, which can protect your cardiovascular health and helps blood vessel elasticity.\* Helps to support healthy blood pressure levels already within a normal range.\* Rich in antioxidants natural vitamin E and vitamin C. According to the FDA, "Consumption of antioxidant vitamins may reduce the risk of certain kinds of cancer.\*\*" Niteworks® also contains Folic Acid to protect the vascular system and Lemon Balm to soothe and relax you.\* So drink to your heart's health each night, and wake up feeling rejuvenated.\*

\*\*Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.

**DIRECTIONS:** Two scoops (two teaspoons or about 10 grams) in 8 oz. of cold water. May also be mixed with sparkling water or juice. Drink at night or before bedtime.  
**INSTRUCCIONES:** Dos cucharas medidoras (dos cucharaditas o aproximadamente 10 gramos) en 8 onzas de agua fría. También puede ser mezclado con agua carbonatada o jugo. Tomar en la noche o antes de dormir. We offer a **30-day money-back guarantee** to assure your complete satisfaction. This exclusively formulated product is only available through Herbalife Independent Distributors.

This product is sold under license of U.S. patents 5,217,997; 5,428,070; 5,891,459; 6,117,872; and 6,646,006.

**NOTICE:** Consult a physician before using this product if you have had a myocardial infarction (heart attack) or have cardiovascular disease. Not recommended for use by children, pregnant or lactating women. Do not exceed recommended serving size if you have a bleeding disorder, use blood thinning medications or are contemplating surgery.

**AVISO:** Consulte con un médico antes de usar este producto si usted ha tenido un infarto de miocardio (ataque del corazón) o si tiene enfermedad cardiovascular. No se recomienda su uso con los niños, mujeres embarazadas o en periodo de lactancia. No exceder el tamaño de la porción recomendada si usted tiene alguna enfermedad sanguínea, está utilizando un medicamento anticoagulante o está planeando alguna cirugía. **CONTIENE INGREDIENTES DE SOYA.**
