

ShapeWorks™ Advanced Program

The ShapeWorks™ Advanced Program builds on the components of the ShapeWorks™ QuickStart Program with the addition of Total Control® and Cell-U-Loss.

HIGHLIGHTS OF THE PROGRAM

- **Formula 1 Nutritional Shake Mix.** A meal replacement shake with heart-healthy soy protein, vitamins, minerals, herbs, enzymes and fiber, to leave you feeling satisfied and energized. When combined with nonfat milk or soy milk you get 19 grams of hunger-satisfying protein. Choose from five delicious flavors: French Vanilla, Cookies 'n Cream, Dutch Chocolate, Wild Berry and Tropical Fruit.**
- **Formula 2 Multivitamin Complex.** A blend of vitamins, minerals and herbs to help ensure your essential nutrient needs and support health and vitality as you lose weight.*
- **Cell Activator.** Poor diet, poor digestion or high levels of stress can contribute to fatigue and lowered resistance. Cell Activator capsules include a blend of essential nutrients plus select botanicals, to support cellular energy production and stamina.*

- **Herbal Concentrate.** An energizing and thermogenic beverage with green tea and select herbs. Can be enjoyed hot or cold.
- **Total Control®.** This advanced formula helps build energy and boost metabolism to help overcome challenges associated with dieting and maximize weight-loss results.* Key ingredients include green tea, ginger, yerba maté and cacao to help boost metabolism, build energy and promote weight loss.*
- **Cell-U-Loss.** Cell-U-Loss capsules are designed to help reduce fluid accumulation and thereby improve the skin's appearance.* The appearance of dimpled skin may be formed when fatty tissues in certain parts of the body accumulate fluid and wastes.
